The pool and gardens that you see are south facing and are the very sheltered and private back of the house.

There is sunshine all day and a wonderful sunset from this area. The chateau has a formal front entrance and the historic cloisters for formal entertaining and parties. There are excellent sea views from the bedrooms and the balcony and also from the roof terrace.

Security [alarms and security cameras fitted and electric gates] and privacy is very good and it has an onsite villa manager. There is lots of secure parking and also a garage for concealing special cars.

Spanish Estate

We also have amazing estate Mas Mateu in Spain available for rent at 44,000 euro per week.
