

BLACK DIAMOND[®]

LIFESTYLE

Dear Friends,

I would like to introduce you to Black Diamond Lifestyle, perhaps you or people you know, will find it of interest.

We offer most of the services that concierge companies and private members clubs do at no extra fees. You only pay for what you get and we do not mark-up prices either.

Black Diamond Lifestyle is part of Sunseeker London Group of Companies and we also work with other big names in yachting world.

Perhaps you would be tempted to charter some of the great yachts? Some love them so much they decide to build one to their own spec's.

Please see below a short selection of yachts available for charter.

If you're interested in chartering this winter or next summer, please enquire.

Thank you.
