

# The Little Black Diamond BOOK OF LUXURY

HELI-SKIING IN THE SWISS ALPS, JETTING ALICIA KEYS AROUND EUROPE, EXPEDITIONS THROUGH THE DEEPEST RAINFOREST, WASHED DOWN WITH A DRY MARTINI. ALL IN A DAYS WORK FOR BLACK DIAMOND LIFESTYLE

Founded in 2001, Black Diamond has integrated into the Sunseeker London Group of Companies to provide an attentive, free service with a broad range of options for those looking to try new, luxurious experiences.

For adrenaline enthusiasts, prepare to be whisked away to the furthest ends of the earth. Whether a luxury safari or on and off piste alpine adventures, the world's finest services and accommodation will be individually tailored to ensure a special adventure for all. Offering the services of a private members club and concierge but with no membership fee, Black Diamond endeavors to ensure every aspect of your criteria is flawless.

For those on the lookout for a new holiday pad, Black Diamond's distinguished list of villas and chateaus decorated by renowned designers David Linley and Clive Christian offer refreshing, new retreats. Excitingly, a magnificent 4.5 acre site in Blue Bay Ibiza has recently been added to the Black Diamond portfolio, complete with accompanying yacht, sports vehicles and VIP club access around the island hotspots. This new property joins the extensive portfolio of over 80 ski chalets, private islands and villas.

For high flyers, the passenger experience of travelling in a private airplane has reached a new level in comfort and exclusivity and Black Diamond maintains an innovative way to charter such jets. In partnership with the JetBlack Card, one can be guaranteed a simple way to charter with no surprise costings or disappointments and guaranteed available flights anywhere in the world.

Having established a close relationship with Sunseeker London, any Sunseeker Superyacht is close at hand for charter to any global destinations. For larger parties, Black Diamond's access to the prestigious trio of Abramovich yachts: Luna, Pelorus and Eclipse ensures the perfect vessel for every requirement.

Having created important partnerships with the world's leading brands and designers, Black Diamond has been able to extend their knowledge and branch out into other opulent sectors. Working closely with Boodles, De Beers, Harry Winston and the celebrity designers Ralph & Russo; Black Diamond have also created unforgettable pieces for special events and in doing so, offer extensive knowledge for special client purchases.

The latest gem to be added Black Diamond's portfolio is the Black Diamond iPhone. Clothed in precious stones and available in two colours, it boasts a specific Black Diamond Call button offering direct access to Black Diamond personnel.

Black Diamond wishes to ensure customers regularly return to their bespoke services, for every occasion, whether holiday, birthday or business and to show their appreciation to customer loyalty, small gifts are given upon certain purchases and experiences.
