Chalet Les Gentianes

Situated in arguably the best location in Courchevel, nestled in a winter wonderland of snow covered fir trees, truly ski in/ski out onto the Bellecote piste, a mere 2 minutes' walk to the centre of Courchevel. The chalet has been built in a sympathetic alpine style with wood interiors, exposed ceiling beams and a cosy fireplace in the living area, found on the top floor. There is a spa floor with swimming pool, Jacuzzi, Hammam, a separate gym and an independent massage/ therapy room. Les Gentianes has seven bedrooms, each with a private bathroom, designed to sleep 14.
