and unique, a trip I will never forget”

A serene sunset scene over a body of water. The sun is a bright, glowing orb on the horizon, casting a shimmering, golden reflection down the center of the water. Two kayakers, silhouetted against the light, are in the middle ground, paddling their kayaks. The background shows a dark, silhouetted shoreline with trees. The overall mood is peaceful and majestic.

“This truly is the one to beat.
An awesome experience”

Gregory Bateman

The image is a composite of two photographs. The left photograph shows the interior of a rustic wooden cabin. A large wooden staircase with a railing is on the left. In the center, there is a wooden bench and a small dog. A hammock is strung across the room. The walls are made of dark wood, and there are several windows. The right photograph is a close-up of a fireplace with a bright fire burning. The text "Hot Springs Colorado" is in the top left corner.

Hot Springs Colorado

"You nailed it
yet again, amazing trip,
couldn't have gone better!"
