YEAR	2011
LENGTH	67.2m
GUESTS	12
CREW	12

The culmination of a decade of work and over one million man hours, VERTIGO was commissioned to fulfill one vision - to combine the allure of sailing the seas with the ultimate in luxury and adventure. The synergy between the designers, engineers and expert craftsmen of Philippe Briand Ltd., Christian Liaigre, Alloy Yachts International and ODHC Ltd. resulted in the creation of this sailing super yacht. From the beginning, this visionary project was driven by a desire to create a highperformance, go-anywhere sailing machine that would be built to the highest standards, providing comfort and safety during extended ocean sailing voyages.

“I CAN QUITE HONESTLY SAY THAT IN THE LAST 10 YEARS OF MY ‘CHARTERING CAREER’ THE VERTIGO EXPERIENCE WAS EASILY MY BEST - FROM THE MAGNIFICENCE OF THE YACHT TO THE OUTSTANDING AND FRIENDLY SERVICE OF THE CREW. IN FACT I WILL GO SO FAR AS TO SAY THAT THE SERVICE WAS PROBABLY THE BEST I HAVE ENCOUNTERED ANYWHERE IN THE WORLD. I WOULD CERTAINLY RECOMMEND THE EXPERIENCE TO ANYONE.”
